SWIMIFY

Swimify Coach - Update v1.3

2024-06-17 - Josefin Ström - Releases

A new version of Swimify Coach app has been released! Available now in Google Play and Apple App Store.

New Features

⬜ Relay time calculations for Swedish Championships

Added feature for Swedish Championships to make coaches able to calculate new entry times for relay teams when changing swimmers or manually edit the times.

Bug fixes

⬜ Updated how login refresh tokens are stored and updated to make users not get logged out while using the app, and making the user stay logged in when re-opening the app.
