# Swimify Livetiming App Update - v2.8

2024-06-20 - Josefin Ström - Releases

A new version of Swimify Livetiming App has been released. Available on Google Play and Apple App Store.

# New Features

**Added SuperLive**

Competitions with SuperLive now has a separate session list if the competition and it is possible to watch video streams in-app.

**Updated navigation menu in competition view**

**Added option to share results from lane details**

You can now share results directly from the app, without taking a screenshot.

# Bug Fixes

 Fix bug with combined results that made the app crash if one competition was missing results.

 Improved font scaling issues

 Fixed so the app will start updating again after navigating away

Fixed a few bugs with buying subscriptions

Fixed bugs with favorites.
