The screenshot displays the 'Teams/Clubs' management interface. At the top, a navigation bar includes tabs for 'Teams/Clubs', 'Competitors', 'Swimify LiveTiming', 'Withdrawal', 'Time schedule', 'Seeding', 'Results', and 'Points'. Below this, a toolbar offers actions like 'Delete team/club', 'Update club from club database', and 'Update club database from internet'. A central panel is divided into 'Required fields' (Name, Short name, Code, Country, District) and 'Optional fields' (Custom filter, Telephone, Email, Address, Zip code, City). A 'Club fees' section at the bottom features a table with columns for 'Fee', 'Message', and 'Created at'. The table contains one entry: a fee of 25 with the message 'Late change of relay team swimmers in event 12, 4x50m freestyle men' created on 9/11/2025 at 3:45:44 PM. Buttons for 'Add club fee' and 'Remove club fee' are located below the table.
