## New version v2.13.9385.25649 of Swimify Meet Manager released

2025-09-11 - Erik Fornander - [Releases](#)

A new version of Swimify Meet Manager, Swimify Timekeeping and Swimify Announcer has been released. We have fixed lots of bugs and also added some new functionality. You can now add custom fees to participating clubs that will be included in the charging basis reports. See image below.

For full change log then please check links below:

The screenshot shows the 'Teams/Clubs' management interface. At the top, there is a navigation bar with tabs: Teams/Clubs (highlighted), Competitors, Swimify LiveTiming, Withdrawal, Time schedule, Seeding, Results, and Points. Below the navigation bar, there are several action buttons: 'Delete team/club', 'Update club from club database', 'Update club database from internet', 'Team statistics', 'Charging basis', 'Print team list', and 'Seriesim/Holdstævne club order...'. The main content area is divided into several sections. On the left, there is a list of countries, with 'Sweden' selected. The central part contains 'Required fields' and 'Optional fields' for a team. The 'Required fields' section includes: Name (Test team), Short name (Test team), Code, Country (Sweden), and District ([Not selected]). The 'Optional fields' section includes: Custom filter, Telephone, Email, Address 1, Address 2, Zip code, and City. Below these fields, there are 'Select logo' and 'Remove logo' buttons. At the bottom, there is a 'Coaches (0)' section and a 'Club fees' section. The 'Club fees' section contains a table with the following data:

Fee	Message	Created at
25	Late change of relay team swimmers in event 12, 4x50m freestyle men	9/11/2025 3:45:44 PM

Below the table, there are 'Add club fee' and 'Remove club fee' buttons.
