The screenshot shows the 'Teams/Clubs' tab in the Swimify Meet Manager interface. The top navigation bar includes 'Teams/Clubs', 'Competitors', 'Swimify LiveTiming', 'Withdrawal', 'Time schedule', 'Seeding', 'Results', and 'Points'. The main content area is divided into several sections. On the left, there is a list of clubs, all of which are from Sweden. The central part of the interface contains a form for editing a club's details. This form is divided into 'Required fields' and 'Optional fields'. The 'Required fields' section includes fields for Name (set to 'Test team'), Short name (set to 'Test team'), Code, Country (set to 'Sweden'), and District (set to '[Not selected]'). The 'Optional fields' section includes fields for Custom filter, Telephone, Email, Address 1, Address 2, Zip code, and City. Below the form, there is a section for 'Coaches (0)' and a 'Club fees' section. The 'Club fees' section contains a table with columns for 'Fee', 'Message', and 'Created at'. The table has one row with a fee of 25, a message 'Late change of relay team swimmers in event 12, 4x50m freestyle men', and a creation date of '9/11/2025 3:45:44 PM'. At the bottom of the 'Club fees' section, there are buttons for 'Add club fee' and 'Remove club fee'.
