Competitions

Josefin Ström - 2026-09-14 - FAQ - Frequently Asked Questions - Swimify Admin

How do I delete a competition?

- If you made a mistake while creating your competition, you can make changes by editing the competition. If you however want to delete the entire competition you must contact support to delete the competition.

What does it mean that my competition is “Pending”, “Approved”, or “Denied”?

- “Pending”: Pending means that your competition is awaiting approval.
- “Approved”: Approved means that your competition is approved and has all the necessary permissions.
- “Denied”: Denied means that your competition has been denied and cannot proceed.

Why am I not able to edit my competition?

- After a competition ends it becomes locked for edits. If you still need to edit something in your competition after it has ended, please contact support for help.
