Swimify Livetiming App Update - v2.8

2024-06-20 - Josefin Ström - Releases

A new version of Swimify Livetiming App has been released. Available on Google Play and Apple App Store.

New Features

☐ Added SuperLive

Competitions with SuperLive now has a separate session list if the competition and it is possible to watch video streams in-app.

☐ Updated navigation menu in competition view

☐ Added option to share results from lane details

You can now share results directly from the app, without taking a screenshot.

Bug Fixes

☐ Fix bug with combined results that made the app crash if one competition was missing results.

☐ Improved font scaling issues

☐ Fixed so the app will start updating again after navigating away

☐ Fixed a few bugs with buying subscriptions

☐ Fixed bugs with favorites.
