Swimify Livetiming App Update - v2.8

2024-06-20 - Josefin Ström - Releases

A new version of Swimify Livetiming App has been released. Available on Google Play and Apple App Store.

New Features

Added SuperLive

Competitions with SuperLive now has a separate session list if the competition and it is possible to watch video streams in-app.

☐ Updated navigation menu in competition view ☐ Added option to share results from lane details You can now share results directly from the app, without taking a screenshot.
Bug Fixes ☐ Fix bug with combined results that made the app crash if one competition was missing results.
☐ Improved font scaling issues
☐ Fixed so the app will start updating again after navigating away
☐Fixed a few bugs with buying subscriptions
Fixed bugs with favorites.
