New version v2.12.9245.18795 of Swimify Meet Manager released

2025-04-24 - Erik Fornander - Releases

A new version of Swimify Meet Manager has been released. A new feature in this version is the possibility to scratch/withdraw a swimmer from finals in the Swimify Coach app.

To read more on how to use this function in Swimify Meet Manager you can go to the following link for instructions and information:
https://support.swimify.com/kb/articles/how-to-handle-withdrawals-from-preliminary-heats-to-finals-in-swimify-meet-manager-and-coach-app

To see how it looks and works in the Coach app when the coaches want to withdraw a swimmer you can view the link below:
